Republic of Estonia

No. 15.2-2/2153-1

NOTE VERBALE

The Ministry of Foreign Affairs of the Republic of Estonia presents its compliments to the Embassy of the Republic of Moldova and, with reference to the Agreement between the Government of the Republic of Estonia and the Government of the Republic of Moldova on International Transport of Passengers and Goods by Road, has the honour to convey the following.

The Government of the Republic of Estonia on 30 March 2017 approved amending the Traffic Act and submitted the draft act to the parliament. If adopted by the parliament, the act would introduce a road charge for trucks. The draft act would introduce a time-based road charge on public roads for trucks with a maximum mass exceeding 3.5 tons, starting from 1 January 2018.

The road charge rate depends on the maximum mass and the number of axles of the truck and its trailer, and on the emission standard of the truck. The revenue generated by this tax will be used for the maintenance of the transportation infrastructure.

The Ministry of Foreign Affairs of the Republic of Estonia kindly asks the Embassy to forward this information to the competent Moldovan authorities.

The Ministry of Foreign Affairs of the Republic of Estonia avails itself of this opportunity to renew to the Embassy of the Republic of Moldova the assurances of its highest consideration.

Tallinn, 3 May 2017
